

LENWOOD

Genuine Wood

VERTICAL BLINDS

Whether you're interested in keeping privacy in or the sun out, hand-crafted LENWOOD vertical blinds will add the warmth and beauty of real wood to your home or office.

Actual sample of
LENWOOD vertical
blind material.

Imagine. All the advantages of standard wood vertical blinds without the problems of warping or cracking. Best of all, it's genuine wood at a price comparable to fabric. The LENWOOD patented pro-

cess is the latest development in vertical blinds — the hottest selling window covering in the industry.
