

3D REAL WOOD

Injection Molding • Dashboards • Packaging & Displays

Lenderink Technologies is the leader
in Printable / Foldable Real Wood, Cork, and Bamboo
for packaging and point-of-purchase displays.

Our innovative technology incorporates genuine green, micro-
thin real wood in packaging and point-of-purchase displays.

Lenderink Technologies also offer rolls of biodegradable
adhesive films and overlays for prefinishing. Most of our fin-
ishing films are printable and added pizzazz !

Our products can be used "as is" or can easily
laminate to corrugated, chipboard or plastic
sheet. Call us at 616.887.8257 or visit
us at dryfilmadhesives.com for more
application ideas!
