

Design + Consulting

Transform Your company with the power found at the intersection of design & human behavior

Increase everything from sales to employee well being & productivity through the power of design.

We help companies reimagine environments and workflows that bring out the best in their teams, goals, products, and spaces.

Led by award winning national designer & consultant, Brianna Peacock.

To Watch Out For - 2023 CIOWomen

What We Do:

We build strategies and establish blueprints for your future using the power of design psychology. If you're ready for a consultant who can shift everything from your mindset to your bottom line - you're in the right place.

Business, residential, corporate, client, and personal - every area of your life is woven together & so is the solution to the best it's ever been.

Talk to you soon!

Led by award winning national designer & consultant, Brianna Peacock. of Ora Designs.
