

SAFETY POWDERS

Environmentally Friendly
The Safe GREEN Way

← All In One →

FOR FIRE RETARDING

- ✓ Smother flames and minimize/eliminate rekindling
- ✓ Great for campfire safety
- ✓ For a spray, dissolve one pound powder in one gallon warm water
- ✓ For car, home, camping, outbuildings, workshop, lab, kitchen
- ✓ For wood decks, mulch
- ✓ For wood veneer, papers

FOR SPILL CONTROL

(Spills, Leaks, Body Fluids, etc.)

- ✓ Absorbs HYDROCARBONS (gas, oil) and builds a dam helping to protect surrounding areas
- ✓ Approved for in water or on land clean up
- ✓ Huge savings when liquid waste is solidified before shipping
- ✓ Formulas that cut smells and absorbs liquids for easy clean-up of body fluids (vomit, urine, etc)
- ✓ For car, bus, school, kitchen

Any size container available. Fire retarding gels and sprays also available.
